

OUR MISSION

to continually exceed creative and innovative ways to be your “one-stop building solution provider”. Furthermore to offer value engineering, cost cutting of highly qualified knowledge and improving tradition through new technologies, allowing for full utilization of our capabilities and exceptional return on investments.

OUR VISION

is to present ongoing research with the determination to acquire a leading position in the GCC market and to be the most valuable company beyond business and property development, serving both local and international markets.

COMMITMENTS

- To commit to customer focus.
- To innovate, speed and execute.
- To treat others with respect and dignity.
- To communicate definable and measurable goals, and work collaboratively across functions to achieve them.
- To act with integrity and engender trust in both colleagues and customers.
- To honor diversity, individuality and personal business with the highest professional and ethical standards.
- To emphasize the working environment by continuous learning, entrepreneurial, “can-do spirit” and team orientation.

To provide superior customized business building solutions, with the highest business ethics, performance and commitment to unquestionably meet customer's satisfaction.

SERVICE OFFERED

provides complete turnkey solutions to virtually any related design project; hotels, corporate office buildings, palaces, resorts, showrooms, hospitals, yachts, and residences. This turnkey service includes but is not limited to the following:

- ▶ Design
- ▶ Design & Built
- ▶ Interior Built
- ▶ Project Management
- ▶ Contract Administration
- ▶ Budget Development & Control
- ▶ Site Administration
- ▶ Program Development
- ▶ Art, Artifact, Accessory Consultation

MANAGEMENT

General Manager Hassan Faour and his team of expert Designers and Project Managers backed with a wide experience in the field of Interior, executing or participate in the execution of some of the land marks of Dubai and the Gulf region such as:

HISTORY

Established in Dubai, UAE, by Hassan Faour, Horizon Line Decoration is growing into a unique setup providing hi-tech services, design and fit out contracting, dedicated to the highest quality of business building solutions.

Horizon Line Decoration is following a “long term approach” policy that is earning it a respectable position in the world markets by clients and competitors alike. It draws its strength from a human resource pool of highly qualified and skilled personnel each in their personal individual fields. Our Interior Designs are completely accurate & consistent to the highest quality of International Standard and the results are balanced with the best ambient spaces that are operationally efficient.

Horizon Line Decoration success is largely credited to the quality of Artistic ability of our Interior Designers as well as the accurate timing to deliver each project & the excellent overall image in the U.A.E., and to the diversity of our services in terms of IT, where our sister company «Wave Tech Computers» undertake all the necessary work for any IT solutions and in terms of MEP where our associated company undertake all the activities to turn your premises to a pleasant place to work in
